## NANA ESTATE Symbiosis 2015

Composition: Cabernet Sauvignon 86%  
Syrah 8%  
Petite Verdot 6%

### Winemaking Process:

The grapes are hand-harvested nightly relatively late in the growing season, which provides the wine with the powerful fragrances and flavors of ripe fruit. Following the fermentation process, which takes place in stainless steel tanks, we increase the temperature of the fermentation tanks and it undergoes hot maceration with the skins for two weeks. This serves to provide the wine with a full body and velvety texture. The wine ages for 21 months in French oak barrels, where only half of the quantity comprises new barrels.

### Winemakers Notes:

A wine with rich, deep coloring and a bouquet of dark, ripe berries, coffee, and a touch of bitter chocolate; somewhat delicate, yet brimming with the deep, intense, and sophisticated distinct flavors of the cabernet sauvignon variety. The wine is a blend of full-bodied, powerful wine and freshness with pleasant and pronounced tannins. It is currently available, however, it will continue maturing in the bottle for the next decade.

Sweetness: Dry

Percentage of alcohol: 14.3%

Calories: 85

Serving temperature: 14-16°C

Shelf life: Until 2025

Bottle size: 750ml

Acidity (grams per liter): 5.4

pH 3.7

Specific weight: 992.5

Kosher certification: Not kosher

אזהרה: מכיל אלכוהול מומלץ להימנע משתייה מופרזת
