NANA ESTATE
Chenin Blanc 2018
Barrel Reserve

Composition: Chenin Blanc 100%

Wine Making Process:

The grapes were hand-harvested during the cool night hours and on reaching the winery, were pressed as whole clusters with the purpose of imparting a fresh, rich texture to the wine. The wine began fermentation in a stainless steel tank. Halfway through the process, it was transferred to barrels to complete fermentation, where it spent 10 months aging before bottling.

Winemakers Notes:

A dry, white wine, with fresh aromas of red apple and pear, with touches of peach alongside aromas of barrel-aging, all gently merging together in the wine. The taste of citrus, florals, and refreshing minerals combine with the flavors of charred wood and vanilla. A medium-bodied wine with pleasant acidity, good minerality, and a medium finish.
