## NANA ESTATE

### Rosé 2019

Composition: Grenache 100%

#### Winemaking Process:

The grapes are harvested by hand during the cool desert night hours. This wine has undergone a spontaneous fermentation process in neutral French oak barrels, and thereafter an ageing process in the same barrels for six months. The process provides an interesting complexity in addition to the freshness and fruity aromas.

#### Winemakers Notes:

A dry Rosé wine showcasing an elegant shade of light salmon and infused with red grapefruit and red raspberry aromas and the floral fragrance of rose. The wine's taste draws out its rich concentration and striking juiciness with flavors of citrus and red fruits and nuances of rosewater.
